Dear Parents/Carers

National Careers Week

This week is National Careers Week which we will be marking in a number of ways in school. Year 10 students have had a Notre Dame assembly this morning and Year 11s will be visited by the National Citizenship Service tomorrow. Years 7, 8 and 9 will also have bespoke Careers assemblies later in the week to help them examine their aspirations. In lessons, students will be completing starter activities which look at the career paths related to individual subjects and in form they will be focussing on the skills required in the workplace. Please find attached a NCW guide for parents which will support you in having careers related conversations with your children.

As ever, please do not hesitate to contact me if you have any questions in this area on vtiffany@cardinalheenan.com.

With kind regards

Mrs V Tiffany
Assistant Headteacher
