5 March 2024

Dear Parents/Carers

How to Revise Workshop and Tutor Evening

I write to invite you and your Year 11 child to our 'How to Revise Workshop and Tutor Evening', which is taking place in school on **Tuesday 26 March 2024**. The event is designed to empower you to support your child through their last few months of school in preparation for their external exams. There are three parts to the evening:

1. Effective Revision

This is a one-hour interactive workshop which outlines effective revision strategies and guidance on how to organise revision. This is designed to provide you with practical strategies that you can use to support your child in their exam preparation, that will complement what they have done in school. Your child's exam timetable will also be published on this day.

This session will run three times starting at 4pm, 5pm and 6pm. You do not need to book on to this session.

2. Wellbeing

This is a half-hour session covering practical strategies to support your child's wellbeing through the exam period.

This session will run three times starting at 4.30pm, 5.30pm and 6.30pm. You do not need to book on to this session.

3. Personal meeting

This is an individual meeting with your child's form tutor to review how they are engaging with the exam preparation process, and to discuss any questions or concerns you may have. To ensure all parents/carers are able to meet with their child's form tutor, you need to make a booking for this via [SchoolCloud](#).

We advise that you plan the rest of your evening around this booking.

There will also be an opportunity to speak to senior members of staff, including Mrs Millington (Head of Year 11), and the Curriculum Leaders of core subjects (RE, English, Maths, and Science) for any subject specific revision questions.

As this event is about supporting your child to prepare for their exams it is important that they attend with you.

Subject Specific Revision Resources

Whilst there are many wonderful online resources available to support with revision, some students prefer to use physical revision guides and workbooks. These are available, at cost price, through ParentPay for all school subjects. If you wish to order any of these to be ready for collection on the How to Revise Evening, please place your order by the end of **Monday 11 March 2024**.

Best wishes

Mrs L Stockton-Pitt
Acting Deputy Headteacher (Quality of Education)
